- Rotterdam Area, Netherlands

EXPERIENCE

Full Stack Web Development Student
Restart Network
📅 2018　📍 Rotterdam

A full-time, highly immersive one year program to build web developers.
- passed 2/3 levels of the ONE program and successfully mentored team of 10 Bootcampers to pass the first level of the program
- co-developed a web Donor Engagement Platform for Dutch NGO Work With Nature in a team of 3 to help protect Costa Rican rainforest using HTML, CSS, PHP, Bootstrap

Translator & Interpreter
UNHCR
📅 2011 - 2014　📍 Kuala Lumpur

UNHCR, the UN Refugee Agency, is a global organisation dedicated to saving lives and building a better future for refugees.
- Together with 35 colleagues I was in charge of translating requests and needs of up to 1000 refugees per day mostly from Burmese to English

Team Lead Nutritional Assessment
Action Against Hunger
📅 2009 - 2010　📍 Sittwe

Action Against Hunger is a global NGO fighting world hunger.
- Team lead of 5 to assess families in 20+ villages for malnutrition measuring bodyweight and height of children

MOST PROUD OF

💎 **Mentoring Bootcamp Students**
Seeing new web development students succeed after being mentored and motivated by me is something I am proud of.
